February 2026

## From our Minister – Revd David Jebb

Dear Friends,

As I write to you on this cold, wet January day, Lent is almost upon us; a sacred season inviting us to pause, reflect, and turn our hearts more fully toward God. It is a time to step away from the busyness of life and consider our spiritual journey, asking the question, "How will I repent and return to God with all my heart?"

Lent is not merely about giving things up; it is a season of honest self-examination, prayerful reflection, and spiritual renewal. It calls us to open ourselves to God's transforming presence, to examine our lives with humility, and to deepen our faith in ways that shape how we live and love in the world.

The season begins on **18 February** with the **Ash Wednesday Service**. We will join other churches for a service at **7:30pm at Our Lady and St Vincent Church**, where we will receive the sign of ashes on our foreheads—a powerful reminder that we are dust, and to dust we shall return. What a call to humility, reflection, and renewed devotion.

This year, we invite you to participate in our **Lenten Study on *Who is The Christ?* by Anne Calver**. This study guide encourages participants to explore the identity of Jesus Christ through six focused sessions. It examines six aspects of Christ's character, helping us reflect on who Jesus is and what His life means for the world and for our faith.

Each session includes opening and closing prayers, Bible readings, contextual background, reflections on Christ's character, and discussion questions. The aim is not only to learn about Jesus intellectually but to encounter Him personally, allowing that encounter to shape how we live and follow Him.

Please sign up early to secure your place. Further details are included elsewhere in this newsletter.

In addition, we will hold a **Lenten Preparation Quiet Day from 9:30am to 1pm on Saturday 14 February** at Birchwood Methodist Centre, led by Revd Dr Sheryl Anderson. This will be a time for prayerful reflection, stillness, and spiritual renewal—an opportunity to step away from the busyness of life and draw nearer to God.

Even in times of difficulty, you are not alone. God walks with you, and your church family holds you in prayer. Each Lenten practice draws us nearer to the One who redeems, restores, and transforms us from the inside out.

May this Lent be a time of renewal, honest reflection, and intimate encounter with the living God. May His peace, guidance, and love fill every moment of this holy season.

In His grace

*David Jebb* – Revd David Jebb, Minister of St John's Methodist Church

## About Our Preachers ...

**Jenet Jebb** is married to our minister, David, and with their two daughters moved from Sri Lanka to the UK 33 years ago. Before joining us, Jenet attended Methodist Churches in Romford and Amersham and has been a worship leader for 14 years. Jenet has built her career in the finance field. When not leading worship, Jenet enjoys singing with our worship band here at St John's.

**Revd David Jebb** is our Minister at St John's Methodist Church and Superintendent Minister of the St Albans & Welwyn Circuit, overseeing the work of nine churches and one Mission Project and one Methodist Centre. He has ministered in several Circuits across England and brings a strong missional focus, valuing contemporary and formal worship styles and flexible approaches that help people encounter Christ and grow as disciples.

**Revd Alan Combes** is a former member of St John's who, after training as a minister, was appointed to the Enfield Circuit in 2013 and then to be Superintendent in the Vale of Stour in the West Midlands in 2019. Alan has recently 'sat down' and become a supernumerary minister in our circuit, so we are pleased to welcome him and his wife Michele as they return to live in Potters Bar.

## St John's Family News

Congratulations to Renée from the Welcome Space Group who celebrated her 97th birthday on New Year's Eve.

Commiserations to Sally who is nursing a broken arm and Margaret Jackson who has a fractured ankle. Pray that they both will soon be free of pain, and the healing progresses well.

Give thanks for the organisers and helpers of Welcome Space in providing older members of our community companionship and a tasty lunch in a warm room to escape from the winter weather.

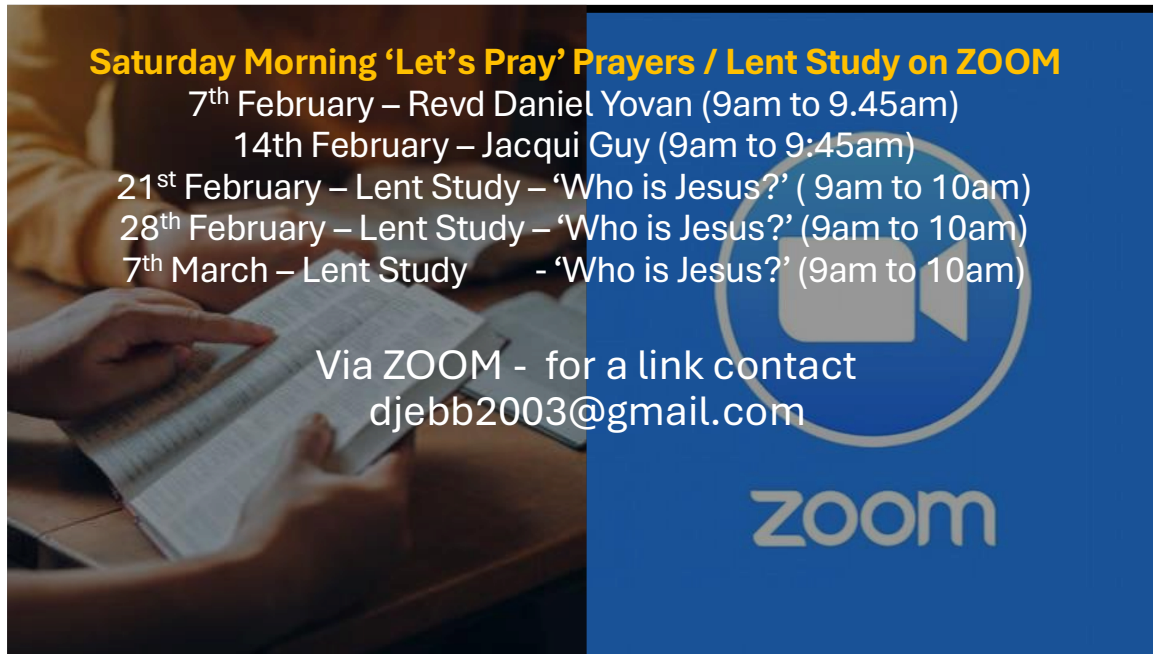

The Book of Remembrance records the following members and friends who died in February in past years; Gladys Weller, Kathleen Male, Pat Merrill, Connie Strand and Ted Lence. If you knew these people, spend a few moments thinking of them and the times you shared together.

Jackie and Don Hart would like to thank their church friends for their prayers, whilst Don was in hospital last month. Don is making a steady recovery and will be back to normal soon ♥

## World Day of Prayer

A service is to be held at Our Lady and St. Vincent on Friday 6 March at 11am. The theme this year is "I will give you rest, come", prepared by Christian women from Nigeria.

# Thank you from Helen and Peter Barlow

Thank you to everyone who contributed to our Harvest Appeal for the homeless and rootless in London via the Whitechapel Mission. Rob Ward (Treasurer) tells me that over £2,100 is now to hand and is about to be transferred to them. In addition, there were five large boxes of breakfast provisions and toiletries plus a whole trailer full of clothing which has been accrued over the past 9 months -which was collected by Tony Miller on 3 November. Thank you so much for this gargantuan effort yet again – and I hope you realise just how much it is appreciated in these difficult times as the numbers of homeless on the East London streets continue to soar.

The Mission remains open for breakfast on just weekdays only for the moment due to the amount of staffing that it is taking to keep the guests safe, although it is hoped that employment costs will soon drop and income will return once more to make 7 days-a-week opening possible once again.

I have now given up my role as a Trustee there due to our move, and it is also now necessary for someone else to take up the liaison role for St John's with Tony and the Whitechapel Team. I do hope that someone is able to take this on and continue the St. John's contribution to this (sadly) necessary but very valuable mission in the coming years.

## Peter Barlow

A short note to thank everybody for the card, gift, the prayers and the good wishes for our send-off at the end of October. The photographic tribute was amazing – so special thanks to all who contributed! We first came to St John's in 1986 and the last 39 years seem to have flown by as St Johns has been such a large part of our lives as our family grew up.

As we move to a new phase of our life in Cornwall - back to Helen's roots in St Ives - we will long remember our association with St Johns and will continue to pray for you all and for the many deep friendships that we have made over the years. Thank you everyone for the send-off and for your part in our lives. We will be back in Hertfordshire from time to time as both Rachael and Jonathan are now living in the north of the county.

We wish you every blessing for your ongoing witness.

## Helen & Peter Barlow

# Carol Singing

A band of singers and musicians went out on December 22 singing carols and raising money for Action for Children. After 2 hours of singing, we returned to Church for soup and cakes. We managed to raise a magnificent £472.22. *Thanks to everyone who supported the event.*

## Sally Gunning

# Talk by Andrew Ward – HMS Prince of Wales

**March 10 at 7.30pm – Clifton Room**

Robert & Freda's son, Andrew, will give a talk on his voyages and deployment to Japan.

There will be lots of photographs, and an opportunity to ask questions. Refreshments will be provided.

## SERVICE RECORDINGS

Are you aware that we generally record all 10:30 services on a Sunday morning and these are available to listen to if you have not made it to church or if you want to re-listen to a service that has inspired you? If you contact me or ask one of the stewards, then we can email you an audio copy of the relevant service.

**From 12.30pm to 1.30pm.** Please bring your own lunch and drinks. Half an hour talk and then discussion. Donations will be gratefully received to cover expenses, any profits will be given to the speaker for a charity of their choice.

## PASTORAL CONTACTS

By the time you read this we will probably have had our Pastoral Contact dedication at the Service on Sunday 25<sup>th</sup> January. We have a small team of members who offer to keep in contact with other members and adherents to ensure they are integrated into Church life, and to keep in touch if they are unable to come regularly to church. Following the departure of Helen and Peter Barlow, we have a number of people no longer covered by a Pastoral Contact, so if you are a member of St John's and you feel you could offer some time to being a Pastoral Contact then please speak to **David Jebb, Helen Strand or Guy Fenner.**

# Lent 2026 Themed Preaching - Moving Stories

The repentant reflection of Lent helps us prepare for the true meaning and depth of God's love for all, expressed in Holy Week and on the cross.

Christ was born a refugee, his parents forced to move by factors beyond their control. Christ's response in his ministry was always to stop, see and accept people as they are and then to engage with them in their context, bringing to bear the wisdom, justice, compassion and grace of God. Indeed, we pray to this day, guided by him saying; 'thy Kingdom come on earth as it is in heaven'.

The United Nations High Commission for Refugees (UNHCR) reports 120M refugees in the world at the moment and 49M of these are children! How we see, treat, speak of and ultimately journey with those who different from us and those who are forced to 'move' as result of persecution, conflict, violence, human rights violations or climate change is one of the central characteristics of this generation.

**Moving Stories** calls us to change the negative attitudes, perceptions and stereotypes towards migrants in our cities / country, by giving them a voice and platform to share their stories. Together we will look at the many examples of the challenges faced and lessons learnt from migration stories from the Bible.

We are called by Christ to see each human being as a precious creation of God, to see Christ **within** those we meet and those for whom we pray... SO it is that we get 'moving stories' – stories of people forced to move and in hearing those stories may we be open to be moved.

Lent 1 22/2/26	Hagar & Ishmael / Joseph	<b>Banished / Trafficked</b>	Genesis 21:8-21 Genesis 37	Author: Michaela Youngson / David Musgrave
-------------------	-----------------------------	------------------------------	-------------------------------	---

**Big Idea:** In common with many women throughout history and today, Hagar has no power to decide her own future. Meanwhile Joseph is captured and sold by his jealous brothers – his life is no longer in his own control.

**This Week:** We will introduce the theme of Moving Stories and focus on how human jealousy, greed and power today lead to slavery, sexual powerlessness and the exploitation of the vulnerable and the poor - especially women and children. Where is God in these stories?

Lent 2 1/3/26	PARADE			
------------------	--------	--	--	--

The themed preaching series will pause for this week.

Lent 3 8/3/26	Phoebe	<b>Commended</b>	Romans 16:1-16	Author: Cameron Kirkwood
------------------	--------	------------------	----------------	--------------------------

**Big Idea:** Moving from one place to another can be a difficult process, especially for a refugee. Built into Methodism is the idea that no matter where in the world we may move to, some form of commendation, either by way of a letter or transfer of membership takes place.

**This Week:** Paul's letter of commendation includes an indication of the kind of service Phoebe had been giving as part of her Christian discipleship. This week we consider How might we get to know those who visit us, such that we might be able to commend them to others? Imagine the impact this could have on someone's life?

Lent 4 15/3/26	Abram and Sarai	<b>Obedient</b>	Genesis 12:1-9	Author: Wendy Beard
-------------------	-----------------	-----------------	----------------	---------------------

**Big Idea:** This chapter in Genesis comes after a long list of ways that the people had disobeyed God causing much destruction and harsh consequences for themselves. God now tries a different tactic. Instead of working with people in large numbers, God chooses to come alongside and build a relationship with one person.

**This Week:** Abram and Sarai chose to give up everything to be obedient to God. This week we explore how we can live our lives today in faith and trust?

Lent 5 22/3/26	Philip and the Ethiopian Eunuch	<b>Included</b>	Acts 8:26-40 Matthew	Author: Vicci Davidson
-------------------	------------------------------------	-----------------	-------------------------	------------------------

**Big Idea:** This traveller – a foreigner from afar (Ethiopia was considered the ends of the earth in those days), worked for a Queen in a time where patriarchal systems were more usual. He would also have been looked down upon because he was a eunuch. And yet Philip responds to God's prompting and the Eunuch comes to faith.

**This Week:** How do we respond to people of other countries, cultures and faiths when they enquire about our faith? Some folk think our Methodist Commitment to Equality, Diversity and Inclusion is a fad – this Sunday we unpack how God makes everyone feel included.

Palm Sunday 29/4/26	Jesus	<b>Accepted?</b>	Luke 19:29-40	Author: David Hardman
------------------------	-------	------------------	---------------	--------------------------

**Big Idea:** Jesus' entry into Jerusalem is a 'snapshot' of the journey of Christ at this particular point. We do not see the poverty of his birth, the scared flight from genocide of his childhood or him being chased out of his hometown synagogue.

**This Week:** Too often we are presented with a 'snapshot' of migration that informs public opinion but fails to tell the whole truth. In our final service on this Lent journey we focus on the importance of looking at the reasons why people migrate, and more importantly we begin the process of focusing on the individual person with compassion and understanding.

# Christmas at St John's Church

## The World Premier of 'An Advent Christmas'

The Potters Bar Churches were delighted to present 'An Advent Story' at St Johns on Saturday 20 December, written by Bridget R Edwards. Several members of St John's took part, with an audience of around 120 people, raising money for our chosen charities. The play was well received, and thanks goes to everyone who supported this venture. *Watch this space for future projects!*

## Chocolate Christmas

This year we re-introduced the 4pm All Age Carol Service, which was held on Sunday 21<sup>st</sup> December. Many presents adorned two Christmas Trees and with the promise of Chocolate, the congregation waited to see how this would unfold.

Children were asked to find presents in a numbered order, identify who could open the present (*one example was: a member of the Fix it team*), and take the present to a volunteer. The present contained a short reading, forming part of the Christmas story, and a chocolate bar. The clever bit was that a name of a chocolate bar was incorporated into the reading as a pun. The first reading was:

Once upon a time, some 2000 years ago, a young girl called Mary heard a **WISPA** from the angel Gabriel that she was to be the mother of God's son.

30 presents later we had heard the Story, sung Carols, listened to the Message and laughed and groaned at the chocolate bar puns. All that remained was to eat some chocolate! Thank you to Michele for recommending the script and organising the event. Thank you also to Don and Les for providing the special lighting effects.
