## Beat Lockdown with Transport Quiz

2020

This **EXTRAORDINARY MID TERM QUIZ** is to help counteract the confines of lockdown. Use it for keeping the brain active and circulate to whomsoever you feel may appreciate it.

The clues relate to vehicles or methods of transporting people or things. They are generally cryptic one-word answers (unless shown in parenthesis) and sometimes plural to make the quiz viable.

With apologies: these are the non-selected clues for original Transport quiz in 2016 - you may see why!!

The answers we envisage will be circulated on 1 May 2020 to you. If you pass the quiz on, would you kindly be responsible for providing the answers.

The next 4<sup>th</sup> Potters Bar Scout Group's competition quiz is in development for issue in November 2020.

**Stay safe.**
